Still Need help registering your staff in Saba?

Go to the [Training Resources for Wave 3 page on Epic1.org](#) to find guides for the following:

- Registering staff for Epic1 training
- Running registration and training completion reports in Saba
- Creating an Excel file of the Epic1 Wave 2 training schedule

How to Prepare for Training Classes

Go to the [Training Resources for Wave 3 on Epic1.org](#).

Special Notes

While Super User training has concluded, Super Users are reminded to ALSO [sign up to become a “Take 2 Observer.”](#) (This excludes Super Users who only have to take the Patient Movement e-learning bundle – see below.) [Click here](#) to follow the “Take 2 Observer” pathway to registering for a class.

Patient Movement E-Learning Bundle

The Patient Movement E-Learning Bundle is assigned to clinical staff that are impacted by E1E changes to patient movement workflows. Clinical staff assigned the Patient Movement E-Learning Bundle should view it by **September 16, 2022**.

- Have your staff watch the E-Learning that pertains to them:
 - o HIPGC010 Patient Movement Inpatient Units (15 minutes)
 - Nurses, OB nurses, charge nurses, nurse managers, house supervisors, PCT, unit secretaries
 - o HIPGC020 Patient Movement Emergency Departments (15 minutes)
 - Nurses, nurse managers, techs
 - o HIPGC030 Patient Movement Procedural Areas (15 minutes)
 - Surgical, Cardiology and Radiology

Find additional information on the [Patient Movement Training Resource page on Epic1.org](#).
